Shem M. Regidor

Web Developer

⊙ Kabankalan City , Negros Occidental 📞 +639939781151 @ shemregidor6@gmail.com

---

Summary

Junior full-stack developer with hands-on experience delivering production-ready solutions for local government and small businesses. Skilled in **Laravel, React, Vue, and React Native**, with expertise in designing secure RESTful APIs and building responsive web/mobile apps. Proven record of creating scalable systems, including a city-wide emergency response platform and a government file tracking system. Recognized as **Champion of the Kabankalan ICT Summit** for innovative IT solutions.

Experience

Freelance   July, 2025 - Present

API Developer   Remote

- Designed and developed secure and scalable RESTful APIs using Laravel 11 for a file tracking system.

- Implemented user authentication, role-based access control, and email verification features.

- Integrated filtering, pagination, and dynamic querying to improve data accessibility and admin efficiency.

- Collaborated with a frontend developer to ensure seamless API integration with a Quasar (Vue.js) interface.

- Led the implementation of key backend features like document archiving, activity logging, and file history tracking.

Capstone Project   Feb 2025 – Present

Kabankalan City Emergency Response Application (KCERA)   Kabankalan LGU

- Led development of a **mobile + web-based emergency reporting system** using React Native and Laravel 12.

- Enables **residents** to report emergencies, while allowing responders to manage incidents in real time.

- Built a backend that supports incident histories, patient care records, and WebSocket-powered real-time notifications.

- Awarded **Champion, Kabankalan ICT Summit 2025** by Mayor Benjie M. Miranda.

Academic Project   May – June 2025

Child Monitoring System   Kabankalan Catholic College

- Created a **React Native** + **Laravel mobile app** to allow parents to track their child's **real-time GPS location**.

- Integrated usage monitoring and cloud-based sync for parent dashboards.

- Focused on building an intuitive interface for non-technical users.

Awards

Champion of the 3rd Kabankalan ICT Summit   September 2025

Kabankalan City Mayor Benjie M. Miranda

Technical Skills	**Frontend**
